## OVERVIEW

Hebron Educational and Charitable Trust is a non-profit organization established with the purpose of serving underprivileged communities through education and humanitarian assistance. The Trust is committed to addressing both long-term development needs and immediate basic necessities of poor and marginalized populations, particularly in rural and village areas.

## VISION

To create a just and compassionate society where every individual has access to education, basic food, and clothing, enabling them to live with dignity and opportunity.

## MISSION

We are committed to improving the lives of underprivileged communities by:

- Promoting education for all
- Reducing hunger through food support programs
- Supporting dignity & well-being through clothing distribution

## OBJECTIVES

To ensure access to education for children and youth from economically weaker sections

To provide food assistance to poor & vulnerable families

To distribute clothing to village communities lacking basic necessities

To partner with donors, institutions, and volunteers for sustainable community impact

## TARGET BENEFICIARIES

- Children and students from poor families
- Economically disadvantaged households
- Rural and village communities
- Elderly and vulnerable individuals

## NEED FOR SUPPORT

The growing needs of underprivileged communities require consistent financial and material support. Donations and grants enable Hebron Educational and Charitable Trust to expand its programs, reach more beneficiaries, and ensure transparency and accountability in service delivery.

## KEY ACTIVITIES / PROGRAMMES

### Education for All

Hebron Educational and Charitable Trust is committed to making education accessible to all, regardless of financial or social background. The Trust supports educational initiatives that encourage learning, skill development, and personal growth, helping students build a better future.

#### Impact

Improved access to education  
Increased awareness of the importance of learning  
Long-term community development

### Food Support for the Poor

Hunger remains one of the most pressing challenges for underprivileged families. The Trust conducts food distribution programs to support individuals and families who struggle to meet daily nutritional needs.

#### Impact

Reduction in hunger and food insecurity  
Improved health and well-being  
Immediate relief for vulnerable populations

### Clothing Distribution for Village Communities

Many families in rural and village areas lack adequate clothing. The Trust provides clothing to children, adults, and elderly people to ensure comfort, dignity, and protection.

#### Impact

Improved living conditions  
Enhanced dignity and self-respect  
Support during seasonal and emergency needs

## Reaching out with gifts of love and hands of hope.
